## Summary of Contents

Volume page numbers are on the left of titles  
Section page numbers in *italic* follow the titles

- Royal Society of Medicine**  
311 Lloyd Roberts Lecture (Nov 29)  
947 Sherrington Memorial Lecture (May 4)
- Section of Anaesthetics**  
7 Entonox (Jan 8 1971) *1*  
10 Postoperative Lung Dysfunction (Apr 2 1971) *4*  
149 Registrar's Prize Essay (May 7 1971) *9*  
755 Epidural Analgesia in Labour (Dec 3) *15*  
759 Selective Beta-adrenergic Receptor Active Drugs (Jan 7) *19*  
764 Meetings *by title* (Nov 5, Mar 3, May 5) *24*
- Clinical Section**  
163 Cases (May 14 1971) *1*  
561 Cases (Oct 8) *7*  
589 Cases (Dec 10)  
723 Cases (Nov 12) *13*  
749 Cases (Feb 11) *17*  
875 Cases (Mar 10) *23*  
977 Cases (Apr 14) *31*
- Section of Clinical Immunology & Allergy**  
255 Drugs Affecting Immune Responses (Apr 27 1971)  
271 Laboratory Methods (Apr 19 1971) *1*  
274 Immune Complex Disease (June 14 1971) *4*  
481 President's Address (Oct 11) *9*  
484, 1098 Meetings *by title* *12, 18*  
589 Cases (Dec 10)  
659 Secretory Antibody and Local Immunity (Jan 19)  
1093 Immunology in Clinical Medicine (Feb 14) *13*  
1095 Complement-mediated Tissue Damage (Apr 10) *15*
- Section of Comparative Medicine**  
173 Sleep in Animals and Man (Jan 20 1971) *1*  
180 Seizures in Mammals (Feb 17 1971) *8*  
181 Presymptomatic Diagnosis (Mar 17 1971) *9*  
186, 1002 Meetings *by title* *14, 50*  
343 The Experimental Animal (May 19 1971) *15*  
631 President's Address (Oct 20) *27*  
659 Secretory Antibody and Local Immunity (Jan 19)  
851 Measurement of Taxonomic Criteria (Feb 16) *31*  
987 Animal Models of Human Diseases (Mar 15) *35*  
1001 Toxoplasmosis (Apr 19) *49*
- Section of Dermatology**  
251 Cases (June 17 1971) *1*  
525 Cases (Apr 15, June 17, Oct 21, 1971) *5*  
595 Cases (Oct 21, Nov 18) *11*  
687 Cases (Dec 16) *21*  
765 Cases (Jan 20, Feb 17) *27*  
770 Meeting *by title* (May 18) *32*  
1071 Dermatitis Litigation; Cases (Mar 25) *33*
- Section of Endocrinology**  
295 Physical Techniques in Determining Endocrine Gland Structure and Function (Mar 24 1971)  
485 Cases (Apr 28 1971) *1*  
490, 794, 986 Meetings *by title* *6, 18, 22*  
491 Short Papers (May 26 1971) *7*  
785 Cases; Short Papers (Nov 24, Dec 15) *9*  
792 Pheochromocytoma (Jan 26) *16*  
983 Cases (Mar 22) *19*
- Section of Epidemiology & Preventive Medicine**  
237 Papers (May 13 1971) *1*  
423 Cholera (Oct 14) *11*  
432 Meetings *by title* (Nov 11, Jan 13) *20*

- 567 Sickness Absence (Mar 11 1971)  
**Section of Experimental Medicine & Therapeutics**  
255 Drugs Affecting Immune Responses (Apr 27 1971)  
329 President's Address (May 11 1971) *1*
- Section of General Practice**  
109 Albert Wander Lecture (June 30 1971) *1*  
317 Valedictory Address (Oct 27) *11*  
505 Familiar Faces (Nov 17) *15*  
512 Meetings *by title* (Oct 23, Dec 15, Feb 16) *22*  
513 Urinary Infections (Jan 19) *23*  
927 The Common Market (Mar 15) *27*  
934 Albert Wander Lecture (June 21) *34*
- Section of the History of Medicine**  
39 Polar Exploration (Feb 3 1971) *1*  
48, 1126 Meetings *by title* *10, 38*  
215 Papers (June 19 1971) *11*  
553 Papers (Oct 6, Nov 3) *23*  
693 Medicine and the 1851 Exhibition (Dec 1) *31*  
1123 Paper (Feb 2) *35*
- Section of Laryngology**  
401 Tracheostomy (Dec 4 1970) *1*  
404 Speech Defects in Childhood (Feb 5 1971) *4*  
416, 624 Meetings *by title* *16, 22*  
619 President's Address (Nov 5) *17*  
679 External Influences on the Nose and Throat (Dec 3) *21*  
771 Audiovisual Aids in Laryngology (Feb 4) *29*
- Library & Lay Section**  
355 Health Aspects of the Environment (May 17 1971) *1*
- Section of Measurement in Medicine**  
537 Morbid Anatomy (Apr 19 1971) *1*  
542 Myocardial Contractility (June 28 1971) *6*  
807 Psychophysiological Measurements in Hearing (Oct 18)  
883 Intracranial Pressure (Jan 17) *17*  
890 Short Papers (Feb 21) *24*  
892 Meetings *by title* (June 16, Feb 15-16) *26*
- Section of Medical Education**  
101 The Disturbed Child (May 12 1971) *1*  
605 President's Address (Nov 10) *9*  
612 Meeting *by title* (Oct 23) *16*  
1003 Selection for Training (Feb 9) *17*  
1009 See, Hear, Learn the Modern Way (May 10) *23*
- Section of Medicine**  
75 Cerebrovascular Diseases (Mar 25 1971)  
255 Drugs Affecting Immune Responses (Apr 27 1971)  
321 Fitness for Work (May 25 1971)
- Section of Neurology**  
15 Recent Advances in Neurosurgery (Feb 4 1971) *1*  
75 Cerebrovascular Diseases (Mar 25 1971)  
195 Toxicology (Mar 4 1971) *9*  
200, 536 Meetings *by title* *14, 20*  
531 Immunology in the Nervous System (Nov 4) *15*  
871 Metabolic Disorders (Dec 2) *21*  
939 Cardiovascular and Respiratory Disorders (Feb 3) *25*  
1067 Hypothalamic and Pituitary Disorders (Mar 2) *33*

*Summary of Contents (contd.)*

**Section of Obstetrics & Gynaecology**

- 93 Cases and Papers (Apr 23, June 25 1971) 1
- 279 Anorectal Conditions (Mar 24)
- 467 President's Address (Oct 22) 9
- 697 Abolition of Prolonged Labour (Nov 26) 13
- 829 Urethral Incontinence in Women (Mar 24)
- 863 Cases and Papers (Jan 28) 19
- 866 Meeting by title (Apr 28) 22
- 867 Drug Addiction in Pregnancy (Feb 25) 23

**Section of Occupational Medicine**

- 321 Fitness for Work (May 25 1971)
- 447 Occupational Health Services in Hospitals (Oct 28) 1
- 567 Sickness Absence (Mar 11 1971)
- 1087 Insecurity in Industry (Mar 9)
- 1092 Meetings by title (Dec 9, Jan 13, Apr 13, June 22)

**Section of Odontology**

- 383 Paper (Jan 25 1971) 1
- 389 Evolution of Dental Structures (Mar 22 1971) 7
- 399, 912 Meetings by title 17, 38
- 493 Papers (Apr 23, May 24 1971) 19
- 801 President's Address (Oct 25) 23
- 903 Short Papers (Nov 22) 29
- 913 Maxillo-facial Injuries (Jan 25)
- 1127 Papers (Jan 31, May 22) 39

**Section of Oncology**

- 49 Cancer in Five Continents (May 19 1971) 1
- 55 Para-endocrine Syndromes (June 16 1971) 7
- 61 Hodgkin's Disease (Apr 5 1971) 13
- 635 Immunodiagnosis of Cancer (Oct 13) 17
- 641 Breast Cancer (Dec 8) 23

**Section of Ophthalmology**

- 517 Neuro-ophthalmology (Nov 11) 1
- 523 Meetings by title (Oct 14, Dec 9, Feb 10) 7
- 953 Tropical Ophthalmology (Jan 13) 9
- 962 Glaucoma in Childhood (Mar 9) 18

**Section of Orthopaedics**

- 373 Cases (Mar 2 1971) 1
- 377 Short Papers (May 8, June 12 1971) 5
- 735 Short Papers (Oct 5) 11
- 739 The Painful Foot (Nov 2) 15
- 1027 Short Papers (Dec 7) 17
- 1030 Injuries Around the Shoulder (Feb 1) 20
- 1034 Meeting by title (July 27) 24

**Section of Otolaryngology**

- 247 Carcinoma of the Middle Ear (May 7 1971) 1
- 250, 862 Meetings by title 4, 24
- 367 Short Papers (Mar 5 1971) 5
- 709 President's Address (Nov 5) 11
- 807 Psychophysiological Measurements in Hearing (Oct 18)
- 855 Audiology in the Hospital Service (Feb 4) 17

**Section of Paediatrics**

- 335 Parent-staff Communication in a Children's Unit (May 21 1971) 1
- 339 Papers (June 26 1971) 5
- 342 Meeting by title (Nov 26) 8
- 727 Cases (Oct 22) 9
- 731 Diagnostic Radiology in Childhood (Jan 28) 13
- 745 Paediatric Haematology (Feb 25) 17
- 1081 Cases (Mar 24) 21
- 1084 Comparative Physiology of Lactation (May 19) 24

**Section of Pathology**

- 433 President's Address (Oct 12) 1
- 583 Mental Defect and Disorder (Nov 9) 5
- 671 The Pathology of Ageing (Jan 11) 11
- 677 Meetings by title 17
- 823 The Pathology of the Lung (Dec 14) 19
- 826 Newer Physical Methods in Pathology (Feb 8) 22

**Section of Physical Medicine**

- 201 Care of the Chronic Sick (June 16 1971) 1
- 233 President's Address (Mar 24 1971) 15
- 613 Short Papers and Cases (Oct 16) 19
- 614 Meeting by title (Dec 8) 20
- 615 Investigation of Muscle Disease (Nov 10) 21
- 1013 Cases (Mar 8) 25

**Section of Plastic Surgery**

- 625 Compound Fractures of Lower Limb (Oct 26) 1
- 913 Maxillo-facial Injuries (Jan 25)
- 1057 Multiple Burn Casualties (Apr 25) 7

**Section of Proctology**

- 65 Bowel Management in the Neurologically Disabled (Feb 24 1971) 1
- 71, 287 Papers (Apr 28 1971) 7, 11
- 279 Anorectal Conditions in Obstetrics (Mar 24 1971)
- 294, 670, 973 Meetings by title 18, 26, 45
- 663 President's Address (Nov 24) 19
- 777 Short Papers (Jan 26) 27
- 963 Investigation of Bowel Disease (Apr 26) 35
- 974 Very Low Anastomosis: Techniques (Feb 23) 46

**Section of Psychiatry**

- 155 Aftermaths of the Abortion Act (Apr 13 1971) 1
- 497 Paper (June 8 1971) 9
- 813 President's Address (Oct 12) 13
- 893 Future of Mental Hospitals (Jan 11) 19
- 901 Alcoholism 1971 (Dec 14) 27
- 1035 Psychiatry of Terminal Illness (Nov 9) 29
- 1087 Insecurity in Industry (Mar 9)
- 1099 Psychosurgery Today (Feb 8) 35
- 1108 Meetings by title (Mar 14, May 9) 44

**Section of Radiology**

- 137 Malignant Melanoma (Mar 19 1971) 1
- 295 Physical Techniques in Determining Endocrine Gland Structure and Function (Mar 24 1971)
- 477 Papers (Oct 15) 13
- 703 The Gamma Camera (Nov 19) 17
- 706 President's Address (Jan 21) 20
- 835 Fast Neutrons in Radiotherapy (Mar 17) 23

**Section of Surgery**

- 23 Burn Management and Research (Apr 7 1971) 1
- 30 Hiatus Hernia and Oesophageal Reflux (May 5 1971) 8
- 169 Papers (June 4 1971) 17
- 437 President's Address (Nov 3) 21
- 444 Short Papers (Jan 5) 28
- 446, 850 Meetings by title 30, 44
- 715 Lymphatic Surgery (Dec 1) 31
- 845 The Pancreas (Apr 19) 39
- 1109 Hodgkin's Disease (Feb 2) 45
- 1116 Current Surgical Research (May 3) 52

**United Services Section**

- 187 Aerospace Travel (June 3 1971) 1
- 649 Paper (Oct 7) 9
- 652, 800 Meetings by title 12, 18
- 795 Problems in Nuclear Submarines (Dec 2) 13

**Section of Urology**

- 1 President's Address (Oct 22 1970) 1
- 125 Pills for the Benign Prostate (Feb 25 1971) 7
- 131 Meetings by title 13
- 132 Guest Lecture (Apr 22 1971) 14
- 299 Short Papers (Jan 28 1971) 19
- 305 Renal Transplantation (Mar 25 1971) 25
- 471 Short Papers (May 27 1971) 29
- 829 Urethral Incontinence in Women (Mar 24)
- 1021 Short Papers (Jan 27) 35
- 1051 Winsbury-White Lecture (Apr 27) 41

## Author Index

*Note: In this Volume two series of numbers are used for pagination, the Sectional page number and the Volume page number. The latter only is used in the Index.*

## Subject Index

*Note: In this volume two series of numbers are used for pagination, one being the Section page number and the other the volume page number. The latter only is used in the Index.*

- abetalipoproteinemia**: acanthocytosis associated with tics and involuntary movements (*by title*), 200
- abnormalities**, congenital, of ear (*by title*), 250
- postural deformities: perinatal associations, 735
- kidneys, bilateral duplex, with ectopic openings (*by title*), 446
- malformation of limbs and face in congenital haemangiomas disorders: influence of blood supply of developing bone, 597
- Abortion Act**: statistics from (*by title*), 432
- abortion, induced**: three years of the Abortion Act (1967), 155; gynaecological aftermaths, 155; in Aberdeen, 160; psychiatric aftermaths, 158
- abortion, veterinary**: toxoplasma as a cause in sheep (*by title*), 1002
- abscess**, psoas, recurrent: actinomycosis in, 880
- absenteeism**, sickness, 567; in the Civil Service, 572; international comparisons, 577; recent trends in certificated sickness absence, 567
- acanthosis nigricans**, congenital heart disease and other congenital defects, 751
- accidents**, 356
- and health hazards in agriculture (*by title*), 1092
- accidents, aviation**: investigation—pathologist's role, 1065
- Ljubljana air crash 1966—experience with multiple burn casualties, 1057
- accidents, traffic**: facial injury from, 913; restoration of teeth after, 920
- achondroplasia**: spinal stenosis in, 1028
- acidosis, diabetic**, with hyperlipoproteinemia, followed by severe peripheral neuropathy, 786
- acidosis, renal tubular**, proximal, 981
- acne**: chloracne, 687
- conglobata, familial, with suppurative hidradenitis, pili torti and cataracts (*by title*), 596
- acrodermatitis enteropathica** with lactose intolerance, 600
- acromegaly** with pituitary apoplexy, 984
- and thyrotoxicosis (*by title*), 986
- thyroid function in (*by title*), 492
- ACTH** and nasal polypi (*by title*), 624
- actinomycosis**, abdominal, treated with clindamycin (*by title*), 670
- complicating vagotomy and pyloroplasty (*by title*), 446
- in recurrent psoas abscess, 880
- of rectum (*by title*), 973
- adenosine cyclic 3'5' monophosphate** in human adipose tissue, 790
- adipose tissue**, human: cyclic adenosine monophosphate in, 790
- adrenal glands**: radiological diagnosis of adrenal lesions, 295; (*by title*) 297
- adrenalectomy**, total, in Cushing's syndrome: effect on plasma ACTH, GH and pituitary function (*by title*), 792
- adrenogenital syndrome**, mature (*by title*), 982
- affective disturbances**: diagnosis, 497
- aged**: care of the chronic sick, 206
- problems of faecal incontinence, 66
- ageing**: bone resorption in old age, 674
- cellular aspects, 672
- changes in oral tissues, 801
- extracellular aspects, 671
- in nervous tissue (*by title*), 677
- lipids and lipoproteins in aortic intima, 675
- mandible, structural changes, 675
- pathology, 671
- agriculture**: accidents and health hazards in England and Wales (*by title*), 1092
- trauma in (*by title*), 1092
- air pollution**, 356
- atmospheric pollution (*by title*), 686
- perspectives on, 364
- aircraft ejection seat cushion**: dry fluid cushioning, 614
- Albert Wander Lectures**, 109, 934
- alcohol**: modification of drinking (*by title*), 902
- alcohol tolerance** and chronic pancreatitis, 847
- effects of vagotomy and a drainage procedure on alcohol tolerance (*by title*), 446
- alcoholism** in 1971, 901
- aldosterone**: recent developments (*by title*), 492
- allergens**, chemical: inhalation tests with—complex salts of platinum, 272
- allergy**, clinical: laboratory methods in, 271
- ambulances**: use of entonox in the ambulance service, 7
- amniotic fluid embolus**, 94
- Amundsen, R**: logistics of polar journeys, 42
- amyloidosis** of rectum, primary, 74
- anaemia** and thrombocytopenia with rheumatoid arthritis, 1017
- caused by postgastrectomy stagnant loop (*by title*), 566
- sideropenic: dysphagia and oesophageal web in, 878
- anaemia, haemolytic**, maternal, associated with pregnancy and causing neonatal anaemia (*by title*), 100
- anaemia, haemolytic, autoimmune**, acute, with rheumatoid arthritis, 1013
- anaemia, hypochromic**, with Turner's syndrome, 731
- anaemia, macrocytic**, complicated by polycythemia, 562
- anaemia, neonatal**, caused by maternal haemolytic anaemia (*by title*), 100
- familial Fanconi's (*by title*), 731
- anaemia, pernicious**, juvenile, 728
- anaesthesia, epidural**, in labour, 755
- the patient's point of view, 758
- anaesthesia, general**: changes in intracranial pressure and other variables during induction, 883

- anaesthesia, intravenous:** in dental surgery (*by title*), 399
- analgesia, epidural, in labour,** 755
- , lumbar, by 'do-it-yourself' obstetricians, 757
- , post-operative: use of entonox, 8
- analgesics:** entonox, 7
- anatomy, morbid:** counting techniques in, 537
- : quantitation in, 537
- of bronchial tree (illustrations), 608
- Anderson-Fabry dyslipidosis,** 768
- androgens:** effect of androgen treatment on serum lipids (*by title*), 986
- aneurysm, abdominal with infective aortitis,** 165
- , arteriosclerotic, of right brachial artery with distal thromboembolic phenomena, 563
- angiography:** brachial arteriography in Raynaud's phenomenon, 170
- , corneal fluorescein: in documentation of corneal vascularization in contact lens wearers (*by title*), 523
- , diagnostic, in trauma and other emergency problems (*by title*), 171
- in colonic and rectal disease, 963
- angiotensin:** recent developments (*by title*), 492
- animals, ruminant:** relative importance of sodium ion in homeostatic mechanisms in, 631
- animals, domestic:** convulsions in (*by title*), 180
- : sleep in the larger, 176
- animals, laboratory:** Gunn rats in the study of jaundice, 350
- in immunological research, 352
- in nutritional studies, 351
- : place and importance in experimental pathology, 345; in medicine today, 343; in physiology, 346; in research, 343; in surgery, 353; in toxicology, 348; in vaccine manufacture, control and research, 349
- : use in medicine (*by title*), 353
- anorexia nervosa treated with specific desensitization (*by title*),** 1108
- with multiple organic disorders in a young man, 984
- anterior chamber cleavage anomalies and their systemic associations (*by title*),** 962
- antibodies, IgE:** measurement against allergens — methods and clinical application (*by title*), 274
- , low affinity, and immune complex disease (*by title*), 278
- , mucosal: possible function (*by title*), 662
- , secretory, and local immunity, 659; effector mechanisms of immediate hypersensitivity at mucosal surfaces, 659; in respiratory tract infections (*by title*), 662
- anticonvulsants:** rickets following treatment with, 730
- antigens, carcino-embryonic:** levels in inflammatory disease of large bowel, 967
- , tumour-specific, in immunodiagnosis of cancer, 635
- antimalarials:** trimethoprim-sulphamethoxazole: toxicity (*by title*), 982
- anxiety treated by lactate flooding technique (*by title*),** 1108
- aorta:** lipids and lipoproteins in ageing aortic intima, 675
- aorta, thoracic:** relationship between left ventricular and aortic dP/dt (max), 550
- aortic diseases:** aortitis, infective, with abdominal aneurysm, 165
- appendix:** villous papilloma of (*by title*), 982
- arachnodactyly:** Marfan's syndrome with vitiligo (*by title*), 604
- arteritis, giant cell, and pericardial effusion,** 565
- arthritis, erysipelotheix, in pigs as a comparative model for rheumatoid arthritis,** 994
- : infra-red radiometry and thermography — applications in rheumatology, 890
- arthritis, juvenile rheumatoid (Still's disease) with hepatosplenomegaly and malabsorption (*by title*),** 731
- arthritis rheumatoid,** 614, 688
- : erysipelotheix arthritis in pigs as a comparative model for, 994
- : infected popliteal cyst in — spontaneous external rupture, 1015
- with acute autoimmune haemolytic anaemia, 1013
- with anaemia and thrombocytopenia, 1017
- ascorbic acid deficiency (*by title*),** 528
- asthma and work capacity,** 324
- athletic injuries:** runner's heel (*by title*), 380
- audiometry:** assessment and treatment in hearing-impaired children, 709
- , cortical: evaluation of, 367
- evoked response, 807; variability, 808
- audiovisual aids:** a student's view, 775
- in laryngology, 771, 773
- in medical education, 1009
- auditory perception:** binaural experimentation, 809
- , peripheral, and peripheral transformations, 810
- autoantibodies, smooth-muscle, viral infections and malignant disease,** 481
- autoimmune diseases, familial endocrine (*by title*),** 490
- : multi-endocrine disorder in mother and son, 488
- autoimmunity in diabetes mellitus (*by title*),** 986
- automobiles:** medical aspects of traffic in towns, 359
- autosomal abnormalities:** Waardenburg's syndrome, 601
- aviation:** safety equipment — a pathologist's appraisal, 649
- aviation medicine:** aerospace travel, 187
- : sleep patterns, 192
- : nycthemeral rhythms in long-distance flights, 194
- azathioprine in treatment of Crohn's disease,** 291
- : Wegener's granuloma, 592
- metabolites: significance of, 257
- : serum immunosuppressive activity in normal subjects and patients with liver diseases, 260
- with maximum immune suppression, thoracic duct drainage, ALG and cortisone in neurological disorders, 531
- bacteriology of urinary tract infection,** 514
- : principles of taxonomy, 851
- basement membrane, ocular:** observations on, with special reference to the retina (*by title*), 523
- Bedford General Hospital:** occupational health service — assessment of findings from research project, 450, 451
- beds, low air loss, in treatment of burns,** 1065
- behaviour therapy in treatment of cramp in a musician (*by title*),** 1108
- : obsessional neurosis (*by title*), 1108
- : specific desensitization in treatment of anorexia nervosa (*by title*), 1108
- Behçet's syndrome (*by title*),** 527
- : rectal and colonic ulceration in, 163
- : treated with phenformin and ethylcæstrenol (*by title*), 770
- bezoars:** phytobezoar developing after Billroth I gastrectomy, 754
- biography, political,** 311

**biomedical engineering** in joints with special reference to hip and knee, 1120

**bladder epithelium**, normal and diseased: permeability of, 299

— physiology: measurement of micturition parameters and its clinical use, 132

— 'tumour' due to vesicocolic fistula (*by title*), 131

**bladder neoplasms**: neurofibroma and rhabdomyosarcoma (*by title*), 131

**blindness**: amaurosis, Leber's congenital: corneal ectasia in (*by title*), 524

—, drug-induced, in experimental animals: relevance to toxicology, 197

—: kerato-uveal changes in leprosy and onchocerciasis, 955

**blister**: bullous eruption, recurrent of feet (Cockayne) (*by title*), 527

**blood-brain barrier**, developing: relevance of (*by title*), 200

— function: some present concepts (*by title*), 200

— in pyogenic meningitis in infancy (*by title*), 200

**blood circulation**: complement activation in (*by title*), 1098

**blood coagulation disorders**: fibrinolysis, abnormal, 865

**blood flow velocity**, cerebral: measurement by inhalation method using xenon 133 (*by title*), 200

— radioactive isotopes (*by title*), 200

— measurement in myocardial infarction (*by title*), 552

**blood platelet disorders**: thrombocytopenia and anaemia with rheumatoid arthritis, 1017

—, quinidine-induced, 590

**blood pressure**: control in parkinsonism, 944

**blood protein disorders**: cryofibrinogenemia, primary, with peripheral and visceral vein thrombosis (*by title*), 446

—: hyperlipoproteinaemia — mechanism associated with intake of oral contraceptive steroids (*by title*), 792

—: immune complex cryoglobulinemia with cutaneous manifestations (*by title*), 593; with systemic manifestations (*by title*), 593; with bronchiectasis (*by title*), 593

—: monoclonal gammopathy with vasculitis (*by title*), 766

—: monoclonal-IgM-protein disease, hidden, with urticaria and interstitial pulmonary fibrosis (*by title*), 766

**blood vessel prosthesis**: infected bifurcation graft treated by bilateral axillofemoral bypass and removal (*by title*), 446

**blood vessels**: pressure and flow in, 1121

—: vascular malformation of caecum causing massive haemorrhage (*by title*), 670

**blood viscosity**: measurement and interpretation, 891

**body temperature regulation** by humoral factors in hypothalamus (*by title*), 200

—: computer analysis of human thermoregulation, 892

**bone histoquantitation**: automated studies, 539

— resorption in old age, 674

**bone development**: blood supply related to malformation in congenital haemangiomatous disorders, 597

**bone diseases**: acro-osteolysis, with intestinal lymphangiectasia, 723

—: radiological changes in bones of patients on regular haemodialysis in Newcastle upon Tyne, 477

**bone diseases, developmental**: metaphyseal dysplasia in siblings — a variant of cartilage-hair hypoplasia, 727

- and periarticular calcification with hyperparathyroidism, 1013
- chordoma:** ocular signs of, 522
- chorea, hereditary (Huntingdon's) (by title),** 754
- chorioangioma of placenta,** 97
- chromatography, gas, and mass spectrometry in biology and medicine,** 826
- , gas-liquid, in measurement of corticosteroids (by title), 986
- chromosome abnormalities:** long-arm deletion of chromosome 22 with protein-losing enteropathy, 1081
- chronic disease:** care of the chronic sick, 201
- chronic sick, care of,** 201; design and accommodation, 211; head injuries and cerebrovascular disorders, 212; in hospital, 209; role of the local authority, 210; the problem in the community, 202; in general practice, 203; in the old, 206; in the young, 204; the voluntary services, 208
- chyle:** chylous return—management of abnormalities, 721
- circadian rhythm:** nycthemeral rhythms in long-distance flights, 194
- Civil Service:** sickness absence in, 572
- classification, bacterial,** 851
- : genetical approaches, 853
- : measurement of taxonomic criteria, 851
- of animals: numerical methods, 852
- Clostridium botulinum toxin:** induction of motor nerve growth, 196
- celiac disease and reticuln antibody with dermatitis herpetiformis (by title),** 692
- : immunoglobulin deposits in skin in (by title), 770
- cold climate:** medical aspects of polar exploration, 39
- colitis and spondylarthritis:** interrelationships (by title), 614
- , distal: carcinoma in (by title), 670
- , ischemic, 784; (by title), 982
- : surgical management (by title), 973
- : unusual case (by title), 670
- colitis, ulcerative, chronic:** clinical differentiation from Crohn's disease, 972
- in pregnancy, 279
- : retroperitoneal fibrosis following proctocolectomy for (by title), 446
- collagen:** ageing, 671
- : chemistry changes in necrobiosis lipoidica (by title), 770
- colon, cathartic:** pathology, 288
- , excluded human: studies of (by title), 294
- colonic diseases:** Crohn's disease and chronic ulcerative colitis—clinical differentiation between, 972
- : investigation, 963; radiology, 965; use of long colonoscope for examination of whole colon and for polypectomy, 967
- : polyposis coli: associated extracolonic lesions, 294
- colonic neoplasms:** incidence in five continents, 52
- colostomy and cæcostomy in toxic megacolon (by title),** 670
- coma:** multiple neuropathies occurring in (by title), 566
- common bile duct:** radiological and manometric studies, 171
- Common Market:** general practice and, 927
- communication:** parent-staff communication in a children's unit, 335
- with doctors (by title), 186
- complement activation in the circulation, consequences of (by title),** 1098
- and the kidney, 1095
- deficiency in man (by title), 1098
- : complement-mediated tissue damage, 1095

- Compton metabolic profile test**, 181
- computers**: analysis of human thermoregulation, 892
- : in endocrinology and thyroid disease (by title), 492
- computers, digital**, in analysis of cardiovascular data, 891
- connective tissue**: ageing, 671
- defect (?): chronic leg ulceration, 1078
- constipation**: management in the neurologically disabled, 65
- contact lenses**: documentation of corneal vascularization by means of corneal fluorescein angiography (by title), 523
- contraceptives, oral**, as cause of acquired porphyria (by title), 528
- as possible cause of acquired hepatic porphyria (by title), 527
  - : relationship with benign and malignant breast disease (by title), 246
  - : steroids - mechanism of hyperlipoproteinemia associated with (by title), 792
- convulsions** in domestic animals (by title), 180
- cornea**: ectasia in Leber's congenital amaurosis (by title), 524
- : endothelium, donor - evaluation of (by title), 523
  - : epithelium - cystic disorders of (by title), 523
  - : graft problems in developing countries (by title), 962
  - : vascularization in contact lens wearers - documentation by means of corneal fluorescein angiography (by title), 523
  - : whole flat mounts: new technique for preparation (by title), 523
- corticosteroids**: effect on osteoblast and osteoclast (by title), 739
- : measurement by fluorimetry (by title), 986
  - : gas-liquid chromatography (by title), 986
- corticotrophin** and nasal polypi (by title), 624
- : ectopic production in familial pheochromocytoma and medullary carcinoma (by title), 788
  - : long-term treatment - an investigation, 788
  - : measurements: value in clinical endocrinology (by title), 492
- cortisone** with maximum immune suppression, thoracic duct drainage, ALG and azathioprine in neurological disorders, 531
- cretinism**: neonatal presentation (by title), 1084
- Crohn's disease** and carcinoma of intestine occurring at same site (by title), 973
- and intestinal malignancy, 783
  - : chronic mycobacterial enteritis in ruminants as a model of, 998
  - : early histological lesion, 71
  - : *in vitro* Kveim reactivity in (by title), 294
  - of colon: clinical differentiation from chronic ulcerative colitis, 972
  - : subphrenic abscess in, 565
  - : treatment with azathioprine, 291
  - with cutaneous polyarteritis nodosa (by title), 692
  - with mouth involvement, 1080
- cross-national research**: psychiatric diagnosis, 497
- cryoglobulins**, 274
- Cushing's syndrome**: effect of total adrenalectomy on plasma ACTH, GH and pituitary function (by title), 792
- cystitis**, recurring, in women: perineal hygiene in prevention, 169
- simulating bladder carcinoma (by title), 131
- cysts**, popliteal, infected, in rheumatoid arthritis: spontaneous external rupture, 1015
- cytology**: cancer cell - current studies, 1118
- : cellular aspects of ageing, 672
- dapsone** for 'herpetiform' pemphigus foliaceus (by title), 528
- deafness**, complete unilateral: sound localization in (by title), 862
- , congenital syphilitic (by title), 862
  - : loss or disorder? (by title), 250
- decision making** in primary medical practice, 934
- defaecation**: management in the neurologically disabled, 65
- deglutition disorders**: dysphagia and oesophageal web in sideropenic anaemia, 878
- Degos's syndrome** (malignant atrophic papulosis) (by title), 766; histochemical and ultrastructural studies (by title), 770
- delivery unit practice**: impact of active management on, 697
- dental arch**: enigma of first arch syndrome (by title), 912
- dental calculus**: morphology of formation on the human tooth surface, 903
- dental enamel**: maturation - enzymes in, 911
- , human: microorganisms and organic films on - clinical significance, 908
  - : remineralization *in vitro*, 906
- dental instruments**: evolution of tooth extraction instruments (by title), 912
- dental materials**: recent advances in anterior filling materials, 495
- dental plaque** on human enamel: clinical significance, 908
- dental restoration** after facial injuries in road accidents, 920
- dental structures**, mammalian: evolution of, 389
- dentine**: sensory mechanisms in, 493
- dentistry**: experimental animals in research (by title), 353
- , preventive: current trends (by title), 496
- dentition**: evolution of the more recent ancestors of man, 396
- dermatitis artefacta?** (by title), 770
- litigation, 1071
  - , perioral (by title), 770
- dermatitis herpetiformis**: immunoglobulin deposits in skin in (by title), 770
- with coeliac disease and reticulin antibody (by title), 692
  - with malabsorption; exacerbation on eliminating gluten from diet (by title), 604
- dermatomyositis** with mycosis fungoides, 251
- diabetes mellitus**: autoimmunity in (by title), 986
- : metabolic effects of chronic caffeine administration in, 485
- diabetes mellitus, juvenile**, with unusual complications (by title), 982
- diagnosis**, foetal, of rhesus isoimmunization affecting one foetus in twin pregnancy, 863
- , presymptomatic: future of, 181
  - , human: value of electrocardiogram (by title), 186
  - in veterinary medicine, 184
  - : processing and analysis of data (by title), 186
  - : problem-solving and decision-making in primary medical practice, 934
  - , psychiatric: cross-national research findings, 497
  - : quality control of routine assessment procedures, 891
- diagnosis, laboratory**, of pancreatic disease - difficulties in, 845
- diaphragmatic hernia** and oesophageal reflux, 30
- : investigation, 30, 33
- diet**: effects on skin surface lipids (by title), 770

**disability, chronic:** meeting the social needs  
(*by title*), 432

—, physical: assessment (*by title*), 432

**disasters:** planning – use of action cards  
(*by title*), 446

**disease models, animal**, 987

**diverticular disease, acute** (*by title*), 973

**diverticular disease, colonic:** bleeding in, 779

'doctor's dilemma', 605

**drug addiction and the newborn**, 870

— in pregnancy, 867; obstetricians's experience,

867; psychiatrist's impression, 869

**drug therapy in labour and reduction of**

induction-delivery interval, 698

—: place of chemotherapy in Hodgkin's disease  
and allied disorders, 1110

**drugs affecting immune responses:** mechanisms

of, 255

—: development – experimental animals in, 348

—: legal aspects, 349

—, discovery of: chance and choice in, 329

—: errors in practice (*by title*), 512

—, psychotropic: evaluation in general practice, 317

—: recent developments, 813

**dumping syndrome:** gastric emptying after gastric

operations, 170

—: kinin release after gastric surgery, 171

**duodenoscopy**, 171

**duodeno-ureteric fistula**, 724

**ear:** bony meatus homografts (*by title*), 372

—: congenital deformities (*by title*), 250

**ear diseases:** suppuration, chronic: management  
(*by title*), 250

**ear, middle:** stability (*by title*), 862

—: tympanosclerosis (*by title*), 372

—: ventilation (*by title*), 862

**ear, middle, neoplasms**, 247

—: complementary roles of ENT and plastic

surgery in major malignancies, 248

—: radical surgery for, 247, 249

**echo-encephalography**, experience with, 890

**ecthyma, contagious:** 'giant' orf of finger in a  
patient with a lymphoma, 766

**education:** selection for training, 1003

**education, medical:** audiovisual aids in, 1009

—: 'doctor's dilemma', 605

—: education technology in, 771

—: for general practice (*by title*), 512, 612

—: gaps in – the disturbed child, 101

—: Southampton Medical School curriculum  
(*by title*), 512

—: validity of professional training, 1005

**education, medical, continuing:** in Wessex (*by title*),  
512, 612

—: selection for training in occupational  
medicine, 1003

**elbow, tennis:** operative treatment (*by title*), 1029

**electric stimulation** for control of paralysis due

to upper motor neurone lesions, 233

— in treatment of urinary incontinence, 832

**electrocardiography:** value in human

presymptomatic diagnosis (*by title*), 186

**electrodiagnosis** of muscle disorders, 617

**electromyography** of pelvic muscles in paraplegia  
(*by title*), 71

**electron probe microanalysis** in cellular pathology  
and immunology, 826

**embolism, amniotic fluid**, 94

**employment:** insecurity of, in industry, 1087

—: occupational considerations, 1089

—: psychiatric considerations, 1087

—: selection methods, 1008

**encephalitis:** allergic leukoencephalitis (Weston  
Hurst) (*by title*), 200

**encopresis:** prevention (*by title*), 1084

**endocarditis**, Q fever, with homograft valve  
replacements, 980

**endocarditis, bacterial**, experimental,

in the pig, 990

**endocrine diseases:** arthropathies (*by title*), 986

—, familial autoimmune (*by title*), 490

**endocrine glands:** structure and function,

physical techniques in determining, 295

**endocrinology:** computers in (*by title*), 492

**endoscopy:** colonoscopy, fiberoptic, 966

—: for investigating rectal and colonic disease, 966

—: use of long colonoscopy for examination of

whole colon and for polypectomy, 967

**enema**, double-contrast, 964

**engineering, medical:** project planning – a logical  
approach (*by title*), 382

**enteritis**, chronic mycobacterial, in ruminants, as  
a model of Crohn's disease, 998

**entonox**, 7; for post-operative analgesia, 8;

practical and scientific aspects of use (*by title*),

10; use in ambulance service, 7

**environment:** health aspects, 355

—: noise and the, 360

**enzymes** in enamel maturation, 911

**eosinophils:** infiltration of gastrointestinal tract, 287

**epidemiology** of breast cancer, 641

**epidermolysis bullosa** associated with bronchial  
neoplasm (*by title*), 596

**Epidermophyton floccosum** infection, resistant,  
associated with thymoma (*by title*), 596

**epidural analgesia** in labour, 755

—: the patient's point of view, 758

**epilepsy** and fitness for work (*by title*), 328

—, photosensitive, of the baboon *Papio papio*, 180

—, reflex, in man (*by title*), 180

— with hyperkeratosis of palms and soles, and  
pemphigoid, 603

— with pigmentation and bruising of skin (*by title*),  
528

**epithelium** of bladder, normal and diseased:  
permeability of, 299

**ergonomics** and the physically disabled, 613

**erysipelothe infections:** arthritis in pigs as a  
comparative model for rheumatoid arthritis, 994

**erythema annulare?** (*by title*), 770

**erythema nodosum:** prevalence and causes (*by title*),  
770

**erythroblastosis, fetal:** prevention, 169

**erythroderma:** Sézary's syndrome (*by title*), 596

**European Economic Community:** general practice  
and, 927

**eustachian tube:** function (*by title*), 862

**Evans (Seaman):** death of (*by title*), 48

**evoked potentials:** auditory response – variability,  
808

—: cortical evoked response in audiometry, 807

**evolution** of mammalian dental structures, 389

**expeditions:** logistics of polar journeys of Scott,  
Shackleton and Amundsen, 42

—: medical aspects of polar exploration: sixtieth

anniversary of Scott's last expedition, 39

**Exhibition, the Great, of 1851:** medical aspects, 693

**experimental animals:** place and importance in  
medicine today, 343

**extracellular space:** pathophysiology of tissue  
fluid, 715

**eye:** involvement in tropical disease, 953

—: kerato-uvéal changes in leprosy and

onchocerciasis – a question of immunity, 955

—: signs of chordomas, 522

—: symptomatology of pituitary tumours, 517

- facial injuries:** fractures (*by title*), 416  
 ---: soft-tissue aspects, 918  
 ---: in car occupants - patterns, causes and prevention, 913  
 ---: in road accidents: restoration of teeth after, 920  
 ---: long-term effect, 916
- fecal incontinence:** management in the neurologically disabled, 65  
 ---: problems in old age, 66
- familial faces**, 505
- Fanconi anemia:** diagnosis and treatment - recent advances, 747
- farmer's lung** and related conditions (*by title*), 1092
- fever**, familial Mediterranean, 977
- fibrinogen**, radioactive, in detection of renal transplant rejection, 476
- fibrinolysis**, abnormal, 865
- fibrosarcoma** of coracobrachialis muscle following malignant melanoma of shoulder, 751
- fishes:** sleep in, 177
- fistula**, duodeno-ureteric, 724  
 ---, rectovaginal (*by title*), 973  
 ---, vesicocolic (*by title*), 973  
 ---, causing bladder 'tumour' (*by title*), 131
- fitness** for work, 321  
 ---: migraine, epilepsy and (*by title*), 328
- fluorimetry** in measurement of corticosteroids (*by title*), 986
- fetomaternal relationship:** role of immunological enhancement (*by title*), 484
- foot:** forefoot in rheumatoid and allied conditions (*by title*), 740  
 ---, painful, 739  
 ---: pressure and growth in normal and spina bifida children (*by title*), 382
- forensic medicine:** dermatitis litigation, 1071
- Foster Kennedy sign**, 520
- fractures**, compound, of lower limb with skin loss, 625  
 ---, experimental: recovery of strength and stiffness in healing, 738  
 ---, facial: soft-tissue aspects, 918  
 ---: of facial skeleton (*by title*), 416  
 ---: of femoral neck: diagnosis of deep vein thrombosis, 380  
 ---: of orbit, blow-out (*by title*), 416  
 ---: of radius in children (*by title*), 380  
 ---, stress, of tibia in the elderly associated with knee deformity, 377
- gall-bladder diseases** in childhood, 170
- gamma camera**, 703  
 ---: in chest diseases (*by title*), 705  
 ---: in malignant disease, 703  
 ---: in neurological disease (*by title*), 705
- gastritis**, giant hypertrophic, 749
- gastrointestinal neoplasms:** immunodiagnosis, 968
- gastrointestinal system:** eosinophilic infiltration, 287
- genealogy and heraldry:** heraldry in orthopaedics - armorial bearings of the Royal Society of Medicine, 380
- general practice** and the Common Market, 927  
 ---: care of the chronic sick, 203  
 ---: dilemmas in (*by title*), 512  
 ---: educational needs for (*by title*), 612  
 ---: errors by the doctor (*by title*), 512  
 ---: legal consequences (*by title*), 512  
 ---: with drugs (*by title*), 512  
 ---: evaluation of psychotropic drugs, 317
- general practice:** in the Netherlands, 932  
 ---: medical information systems in, 241  
 ---: over the last fifty years, 109  
 ---: patients: familiar faces, 505  
 ---: problem-solving and decision-making, 934
- genetics:** genetical approaches to taxonomy, 853  
 ---: factors in etiology of breast cancer, 646
- geology**, history of: Gideon Algernon Mantell (1790-1852), 215
- gestronol hexanoate** (SH582) and benign prostatic hypertrophy, 128; clinical trial, 130
- gingiva:** keratinization - effect of toothbrushing, 1127
- glaucoma** in childhood, 962  
 ---: treatment, modern concepts (*by title*), 962  
 ---, secondary, in early childhood: management, 962
- 'glioma' of uterus:** foetal homograft, 98
- globulins**, antilymphocytic, with maximum immune suppression, thoracic duct drainage, azathioprine and cortisone in neurological disorders, 531
- glomerulonephritis**, hypocomplementaemic membranoproliferative, nephrotic syndrome and lipodystrophy, 591
- glycoproteins**, acidic: histochemical identification, with special reference to bronchial submucosal glands, 825
- goitre**, exophthalmic: assessment of thyroid function in (*by title*), 792
- gonadotrophins:** secretion in pituitary organ cultures (*by title*), 986  
 ---, pharmacology of (*by title*), 986
- gonadotrophins, chorionic, human:** in treatment of delayed development (*by title*), 986
- gonads:** assessment of pituitary-gonadal function (*by title*), 490
- granuloma annulare** (*by title*), 692  
 ---: in light-exposed areas (*by title*), 596  
 ---, chronic, due to *Mycobacterium fortuitum* (*by title*), 527
- granuloma, reparative giant cell:** pathogenesis and morphology, 1131
- growth:** delayed development - treatment by human chorionic gonadotrophin (*by title*), 986  
 ---: in normal and spina bifida children, study of foot pressure with (*by title*), 382
- growth hormone:** secretion *in vitro* (*by title*), 986
- gynecography**, 295; (*by title*), 297
- gynecomastia** and impotence associated with abnormal testosterone binding, 787
- haemangioma:** congenital haemangiomatous disorders - bearing of blood supply of developing bone on malformation of limbs and face, 597
- haematology**, paediatric: recent advances, 745
- haemodialysis:** neurological complications, 871  
 ---: radiological changes in bones of patients on regular haemodialysis in Newcastle upon Tyne, 477
- haemoglobinopathies** with special reference to the first months of life: recent advances, 746
- haemolytic disease of newborn:** prevention, 169
- haemorrhage, gastrointestinal**, from vascular malformation of caecum (*by title*), 670  
 ---: in diverticular disease of the colon, 779
- haemorrhagic disease of newborn** presenting even before birth (*by title*), 100
- haemorrhoids:** treatment by Lord's procedure, 782
- hair:** congenital defect (*by title*), 528  
 ---: pili torti with familial acne conglobata, suppurative hidradenitis and cataracts (*by title*), 596
- hallux valgus**, adolescent: surgical treatment (*by title*), 740

- hand injuries** (*by title*), 1034  
**handicapped and impaired: a national study** (*by title*), 432  
 --: bowel management in the neurologically disabled, 65

**hyperaldosteronism: Conn's syndrome** (*by title*), 492  
**hyperbilirubinemia, unconjugated, complicating viral hepatitis**, 979  
**hypercapnia, extended: effects**, 796  
**hyperkeratosis of larynx** (*by title*), 624  
**hypernatraemia, cerebral** (*by title*), 1070  
**hyperparathyroidism and vitamin D deficiency**, 1018  
 -- associated with cerebrospinal fluid abnormalities (*by title*), 788  
 --: medical management; localization of tumour by immunoradiometric assay (*by title*), 490

- hyperparathyroidism**, occult, presenting as parathyroid cyst, 881  
 - with chondrocalcinosis and periarticular calcification, 1013  
**hypersensitivity**: allergy, immunology and the clinician (*by title*), 1094  
 - clinical: laboratory methods in, 271  
 - grass pollen allergy associated with seasonal nephrotic syndrome (*by title*), 593  
 - immediate, at mucosal surfaces: effector mechanisms, 659  
 - reaginic allergy - speculation on origin of (*by title*), 662  
**hypertension, portal**: results of splenorenal anastomosis, 445  
**hypertension, pulmonary**, in pregnancy, 100  
**hyperthyroidism**: thyrotoxicosis, a dynamic model of - value in patient management (*by title*), 492  
 - following hypothyroidism (*by title*), 492  
 - followed by osteoporosis (*by title*), 492  
 - with acromegaly and pituitary apoplexy (*by title*), 986  
 - triiodothyronine thyrotoxicosis (presumed) with congestive cardiac failure, atrial fibrillation and tricuspid incompetence, and carcinoma of breast (*by title*), 490  
**hyperuricaemia** and chondrocalcinosis with necrobiotic nodules, 1020  
**hypothalamo-hypophyseal system**: disorders, 1067  
 - clinical and biochemical features (*by title*), 1070  
**hypothalamus**: humoral factors affecting body temperature (*by title*), 200  
**hypothyroidism** associated with malignant lymphoma in lymphadenoid goitre (*by title*), 446  
 - followed by thyrotoxicosis (*by title*), 492  
 - effect on larynx (*by title*), 624  
**hypoxaemia**, postoperative: mechanisms, 12  
**hysterectomy**: pyoderma gangrenosa following (*by title*), 866  
 - Wertheim's, followed by bilateral abdominopelvic lymphocysts (*by title*), 866
- iatrogenic disease** of nose and throat, 679  
**ichthyosis**: bullous ichthyosiform erythroderma, 526  
 - ichthyosiform erythroderma (*by title*), 527  
 - congenital, with infantilism, delayed puberty and delayed growth (*by title*), 604  
 - Rud's syndrome (*by title*), 527  
**ICRF 159**: effect on immune responses, 264  
**ileostomy** in pregnancy, 281  
 - patients: causes of late mortality, 73  
**ilium**: resection for recurrent carcinoma (*by title*), 973  
**immigrants** from Indian subcontinent in Newcastle upon Tyne: osteomalacia in, 478  
**immunity**: kerato-uvéal changes in leprosy and onchocerciasis, 955  
 - local, and secretory antibody, 659; effector mechanisms of immediate hypersensitivity at mucosal surfaces, 659; in respiratory tract infections (*by title*), 662  
**immunoassay**, radiometric, for localization of tumour in hyperparathyroidism (*by title*), 490  
**immunoglobulins**: deposits in skin in dermatitis herpetiformis and coeliac disease (*by title*), 770  
**immunologic deficiency syndromes**: combined immune deficiency, in an adult, 589  
 - neurological consequences (*by title*), 200
- immunologic diseases**: immune complex cryoglobulinaemia with cutaneous and systemic manifestations (*by title*), 766  
 - disease, 274  
**immunology**, allergy and the clinician (*by title*), 1094  
 - and the National Health Service (*by title*), 1094  
 - application of X-ray microanalysis in, 826  
 - to Hodgkin's disease, 1113  
 - autoimmunization with irradiated tumour cells - effect on specific cell-mediated immunity in patients with malignant melanoma, 144  
 - clinical: careers in, 1093  
 - diagnosis of cancer, 635  
 - intradermal tumour test, 638  
 - experimental animals in research, 352  
 - in the nervous system, 531  
 - mechanisms of action of drugs affecting immune responses, 255  
 - of intrauterine infection (*by title*), 484  
 - role in clinical medicine, 1093  
**immunosuppression** and malignancy, 242  
 - maximum, with thoracic duct drainage, ALG, azathioprine and cortisone in neurological disorders, 531  
**immunosuppressive agents**: generation and consequences of differing dose-response curves, 255  
 - L-asparaginase, 265  
**impotence** and gynecomastia associated with abnormal testosterone binding, 787  
**industrial medicine**: insecurity in industry, 1087; occupational considerations, 1087; psychiatric considerations, 1087  
**infant, newborn**, and drug addiction, 870  
**infantilism**, delayed puberty and delayed growth with congenital ichthyosiform erythroderma (*by title*), 604  
**infection** after cadaveric renal transplantation, 471  
 - in burns: prevention and treatment, 25  
**information retrieval systems** in general practice - a community health project, 241  
 - Oxford Record Linkage Study, 237  
**inhalation tests** with chemical allergens: complex salts of platinum, 272  
**insulin**, serum: measurement using Sephadex-coupled antibodies (*by title*), 986  
**intensive care** (*by title*), 200  
**intervertebral disc**: traumatic discitis (*by title*), 382  
**intestinal diseases**, inflammatory: carcino-embryonic antigen levels in, 967  
 - investigation, 963  
 - colonoscopy, fibreoptic, 966  
 - histology (*by title*), 973  
 - radiology, 965; angiography, 963; enema, double-contrast, 964  
 - lymphangiectasia with acro-osteolysis, 723  
**intestinal neoplasms** and Crohn's disease, 783  
 - occurring at same site (*by title*), 973  
 - carcinoma in distal colitis (*by title*), 670  
 - of large intestine, metachronous (*by title*), 973  
 - recurrences - assessment and management, 663  
 - clinical diagnosis, 971  
 - multiple, 753  
 - rhabdomyosarcoma, recurrent, of anal canal in a 5-year-old (*by title*), 670  
 - uptake of gallium-67, 969  
**intestinal obstruction** in childhood: radiological diagnosis, 731  
 - small bowel obstruction without obvious cause (*by title*), 446  
**intestines**: loss of all but ten inches of small intestine and proximal half of large intestine with survival (*by title*), 670

**intracranial microsurgery**, 15  
**intracranial pressure**: changes during induction of general anaesthesia, 883  
 -- in head injury: continuous monitoring of, 885  
 -- in tumours, 886  
 --: measurement, 883  
 -- monitoring, 19; in communicating hydrocephalus, 888  
**intussusception**: radiological diagnosis in childhood, 731  
**iris**: leiomyosarcoma of (*by title*), 524  
**islet cell tumour**, 849  
**Israel**: recent experience with cholera, 428  
**Ivalon** wrap operation for complete rectal prolapse: long-term results, 777

**Jackson, Robert (1750-1827)** - Inspector-General of Hospitals, Army Medical Department, 1123  
**jaundice**: studies made with the Gunn rat, 350  
**joint diseases**: endocrine arthropathies (*by title*), 986  
**joint prosthesis**: corrosion and corrosion prevention in orthopaedic implants, 1027  
**joints**: bio-engineering in, with special reference to hip and knee, 1120  
**juvenile pregnancy**, 99

**Kennedy Foster sign**, 520  
**Kenya**: nasopharyngeal carcinoma in, 682  
**keratosis**: acrokeratosis verruciformis of Hopf with multiple keratoses (*by title*), 596  
 --: hyperkeratosis of larynx (*by title*), 624  
 -- of palms and soles, pemphigoid and epilepsy, 603  
**kidney allograft recipients**: immunological follow up, 1051  
 --: complement and, 1095  
 -- grafting: prospects for use of immunological enhancement (*by title*), 342  
 --, horse-shoe: traumatic aortocaval fistula in a man with (*by title*), 446  
**kidney calculi** (transplant) and tertiary hyperparathyroidism (*by title*), 131  
**kidney neoplasms**: sarcomatous transformation in renal angioliopoleiomyomata (*by title*), 131  
**kidney papillary necrosis**: surgical management, 1023  
**kidney transplantation**, 305  
 --, cadaveric: infection after, 471  
 --: logistics (*by title*), 476  
 --: rejection detected with <sup>125</sup>I-fibrinogen, 476  
 --: urinary fistulae following, 473  
 --: urological problems (*by title*), 308  
**kinins**: release after gastric surgery, 171  
**knee deformity** in the elderly associated with stress fractures of tibia, 377  
**knee joint**: bio-engineering in, 1120  
 --: total replacement using metal/polyethylene two-part prosthesis, 374  
**Kveim reaction**, *in vitro*, in Crohn's disease (*by title*), 294

**laboratory animals**: place and importance in drug development, 348  
**labour**, difficult, followed by rectovaginal fistulae, 283  
 --: drug therapy and reduction of induction - delivery interval, 698  
 --: epidural analgesia in, 755  
 -- in the very young, 99  
 --, normal: need for measurement in, 891  
 --: oxytocin in human parturition, 491  
 --: partograms in, 700  
 -- and action line of cervical dilatation, 700

**labour, prolonged**: abolition of, 697  
**lactate dehydrogenase** estimations in rectal biopsy (*by title*), 294  
 --, urinary, in normal pregnancy and in pre-eclampsia (*by title*), 866  
**lactates**: flooding technique in treatment of anxiety (*by title*), 1108  
**lactation**: comparative physiology, 1084  
 -- in animals: induction and suppression, 1084  
 --: reflex pathways controlling, 1085  
**lactose intolerance** with acrodermatitis enteropathica, 600  
**laparotomy** in diagnosis and management of Hodgkin's disease, 1111  
**laryngeal diseases**: hyperkeratosis (*by title*), 624  
 --: papillomatosis, 619  
**laryngology**: audiovisual aids in, 771, 773  
**larynx**: effect of mild hypothyroidism (*by title*), 624  
 --: injuries of (*by title*), 416  
**leg injuries**: fractures, compound, with skin loss, 625  
 --: repair by cross-leg flap operation - complications, 626  
**leg ulcer**, chronic: ? connective tissue defect, 1078  
**leiomyoma** (*by title*), 528  
**leiomyosarcoma** of iris (*by title*), 524  
**Lenin N**: medical history (*by title*), 696  
**lentigo**: multiple lentiginos syndrome (*by title*), 731  
**leprosy**: Hansen's disease (*by title*), 527  
 --: kerato-uvéal changes in - a question of immunity, 955  
 --, lepromatous (*by title*), 604  
**leukemia**, lymphatic, chronic, presenting as Sjögren's syndrome, 877  
 --: Medical Research Council trial, 244  
**leukemia, lymphoblastic**: stimulation of immune response in, 266  
**leukocytes**, polymorphonuclear: bactericidal capacity affected by serum factor associated with skin suppuration, 691  
**LH concentrations** in thyrotoxic menstrual disturbance, 789  
**lichen**: lichen aureus - a persistent localized purpura (*by title*), 770  
 --: lichen myxoedematous (*by title*), 604  
 --: scleromyxoedema (?) (*by title*), 604  
**limbic system**: thirst and, 1067  
**lipid metabolism, inborn errors**: Anderson-Fabry dyslipidosis, 768  
**lipids** in ageing aortic intima, 675  
 --, serum: effect of androgen treatment on (*by title*), 986  
 --, skin surface: effects of diet on (*by title*), 770  
 --, total: chemistry changes in necrobiosis lipoidica (*by title*), 770  
**lipodystrophy** (?) or acrogeria (?) (*by title*), 604  
 --, partial, of face and trunk, with glomerulonephritis and nephrotic syndrome, 591  
**lipoproteins** in ageing aortic intima, 675  
**Liston, Robert (1794-1847)**: surgery between Hunter and Lister, 556  
**liver diseases**: fatty infiltration (alcoholic) with discoid lupus erythematosus and ? porphyria, 690  
 --: serum immunosuppressive activity of azathioprine in, 260  
**Lloyd Roberts Lecture**, 311  
**local authorities**: role in case of chronic sick, 210  
**long-term care** of the chronic sick, 201  
**Lown-Ganong-Levine syndrome** with taboparesis, 563  
**lumbar vertebrae**: lesion of second lumbar vertebra, 1016  
**lung dysfunction**, postoperative, 10  
 --: predisposing factors, 10  
 --: pathology, 823  
 --, perinatal: pathology, 823

- lung diseases, bovine, resembling human diffuse fibrosing alveolitis, 987
- lupus murinus** (*by title*), 596
- lupus erythematosus, discoid**, with fatty infiltration of liver (alcoholic) and ? porphyria, 690
- lupus erythematosus, systemic and acquired**, von Willebrand's syndrome, 561
- Lying-in Hospital 1747-**, 467
- lymphangiectasis**, intestinal, with acro-osteolysis, 723
- lymphatic system**: chylous return - management of abnormalities, 721
- : surgery, 715
- lymphocysts**, bilateral abdomino-pelvic, following Wertheim's hysterectomy (*by title*), 866
- lymphocytes**: origin and development of lymphocyte populations (*by title*), 484
- : sensitization in malignant neoplasia, 636
- lymphedema**, postmastectomy, of arm treated by omental graft, 726
- : treatment (*by title*), 722
- lymphography** in diagnosis of malignancy, 719
- lymphoma**: Hodgkin's disease and other lymphomas, 1109
- , malignant, in lymphadenoid goitre associated with hypothyroidism (*by title*), 446
- of rectum, primary malignant, 72
- lysergic acid diethylamide**: a complication of ingestion (*by title*), 446
- malabsorption syndromes**: malabsorption with hepatosplenomegaly and Still's disease (*by title*), 731
- malignant carcinoid syndrome**: treatment by combined ileal and hepatic resection (*by title*), 446
- by local removal of hepatic metastases, 444
- malpractice**: legal consequences of errors (*by title*), 512
- mammals**: evolution of dental structures, 389
- , origin of, and evolution of temporomandibular joint, 389
- : taxonomy, numerical, 852
- mandible**, ageing: structural changes in, 675
- Mantell, Gideon Algernon (1790-1852)**, 215
- mass screening**, biochemical: normal values (*by title*), 186; cost effectiveness (*by title*), 186
- evaluation of procedures (*by title*), 186; tests (*by title*), 186
- mast cells**: reticulosis (*by title*), 692
- : systemic mastocytosis with unique bone marrow findings (*by title*), 527
- mastectomy** followed by lymphedema of arm: treatment by omental graft, 726
- , radical, for carcinoma: followed by malignant melanomas in lymphoedematous arm, 253
- mastication**: evolution of, 392
- maxillo-facial injuries**, 913
- measurement** in medicine, its role in creating interdisciplinary links (*by title*), 541
- meconium**, abnormal, and 'milk inspissation', 733
- medicina Cambriensis**: a changing scene, 1
- medicine** and the 1851 exhibition, 693
- , clinical: role of immunology in, 1093
- : experimental animals in (*by title*), 353
- megacolon**, toxic: colostomy and caecostomy in (*by title*), 670
- melanoma**: clinical management - pathological basis, 137
- , malignant, 137
- : effect of autoimmunization with irradiated tumour cells on specific cell-mediated immunity, 144
- in lymphoedematous arm following radical mastectomy for breast carcinoma, 253
- mastectomy for carcinoma - response to treatment (*by title*), 604
- melanoma, malignant**, of shoulder followed by fibrosarcoma of coracobrachialis muscle, 751
- : treatment - surgical aspects, 140
- Melkersson syndrome**, 1078
- Menetrier's disease**, 749
- meningitis**, pyogenic, in infancy: management (*by title*), 200
- , recurrent, 370
- menopause**: calcium metabolism and (*by title*), 492
- menstruation disorders**, thyrotoxic: plasma oestrogen and luteinizing hormone concentrations in, 789
- mental disorders**: epidemiology of mental handicap (*by title*), 588
- : monoamines and, 584
- : pathology of, 583
- , virus-related, 585
- mental hospitals**: future of, 893
- mental retardation** and the biochemistry of the developing brain, 583
- : morphological aspects, 587
- metabolic diseases** and the nervous system, 871
- metabolism**: Compton profile test in animals, 181
- metabolism, inborn errors**: C21-hydroxylase deficiency - biochemical difference between salt-losing and non-salt-losing forms (*by title*), 492
- methotrexate**: in treatment of tumour of third ventricle (*by title*), 200
- microbiology** of the submarine environment, 799
- microscopy**: in neurosurgery, 15, 16
- microsurgery**, intracranial, 15
- migraine** and fitness for work (*by title*), 328
- : tyramine and (*by title*), 200
- military medicine**, history: Inspector-General of Hospitals Robert Jackson (1750-1827), Army Medical Department, 1123
- milk** inspissation: abnormal meconium and, 733
- milk**: iron-binding proteins in, and resistance to *E. coli* infection in infants, 1086
- mitral valve insufficiency**, congenital and familial, 1083
- monilliasis**: candida infection, resistant, associated with thymoma (*by title*), 596
- , mucocutaneous, chronic familial (*by title*), 604
- : treatment (*by title*), 770
- with leukocytes from HL-A compatible sibling (*by title*), 593
- with thymoma (*by title*), 766
- monoamines** and mental disease, 584
- morbidity** outside hospital (*by title*), 432
- mortality**, late, in ileostomy patients, 73
- motor neurones**, upper, lesions of: electrical control of paralysis, 233
- mountaineering**: medicine on Mount Everest (*by title*), 764
- mouth diseases**: Crohn's disease with mouth involvement, 1080
- mouth neoplasms**: epidermoid carcinoma (*by title*), 416
- movement**, physiological, and psychomotor activity: ultrasonic measurement, 891
- mucopolysaccharidosis**, 339
- mucous membrane antibodies**: possible function (*by title*), 662
- : hypersensitivity at mucosal surfaces - effector mechanisms, 659
- : white sponge naevus of (*by title*), 692
- multiphasic screening**: possible benefits (*by title*), 186
- multiple myeloma** from solitary myeloma of bone: 13-year survival, 1019
- in Paget's disease, 725
- : Medical Research Council trial, 244

- multiple sclerosis, 614  
 muscle cramp in a musician treated with behaviour therapy (*by title*), 1108  
 muscular diseases: investigation, 615  
 ---: electrodiagnosis, 617  
 ---: histopathological techniques, 615  
 mycobacterium infections: enteritis in ruminants as a model of Crohn's disease, 998  
 --- granuloma, chronic, due to *Myco. fortuitum* (*by title*), 527  
 mycosis, orbital: associated retrobulbar abscess followed by ischaemic retinal atrophy (*by title*), 524  
 mycosis fungoides with dermatomyositis, 251  
 myocardial infarct: blood velocity measurement in (*by title*), 552  
 ---: rehabilitation after, 327  
 myocardium: contractility - problems in measurement, 542  
 ---: story of (*by title*), 552  
 ---, what is? (*by title*), 552  
 myotonia atrophica, neonatal (*by title*), 731
- nævus, basal cell (*by title*), 604  
 ---, comedo, with cysts (*by title*), 528  
 ---, white sponge, of mucosa (*by title*), 692  
 nævus, pigmented: clinical management - pathological basis, 137  
 ---, giant (*by title*), 527  
 nails: pachyonychia congenita (*by title*), 604  
 nasal polyps: ACTH and (*by title*), 624  
 ---: treatment - conservative surgery (*by title*), 624  
 ---: radical sinus surgery (*by title*), 624  
 nasal septum: septal replacement operation in treatment of nasal obstruction (*by title*), 624  
 nasopharyngeal neoplasms: in Kenya, 682  
 National Health Service, immunology and the (*by title*), 1094  
 necrobiosis lipoidica: changes in chemistry of collagen and total lipids in (*by title*), 770  
 necrobiotic nodules with hyperuricaemia and chondrocalcinosis, 1020  
 neoplasm metastasis, hepatic: local removal as treatment of carcinoid syndrome, 444  
 neoplasm recurrence, local: anastomotic recurrence after colectomy and ileorectal anastomosis (*by title*), 670  
 ---, repeated, after colectomy for carcinoma (*by title*), 670  
 --- in large intestine: assessment and management, 663  
 ---: rhabdomyosarcoma of anal canal in a 5-year-old (*by title*), 670  
 neoplasms: cancer cell - current studies, 1118  
 ---: geographical distribution, 49  
 ---: detection by gamma camera, 703  
 ---: ectopic production of hormones, 55  
 ---: epidemiological study of progression, illustrated by Wilm's tumour, 242  
 ---: growth - role of immunological enhancement (*by title*), 484  
 ---: immunodiagnosis of, 635  
 ---: intradermal tumour test, 638  
 ---: lymphocyte sensitization in malignant neoplasia, 636  
 ---, juvenile: tissue ageing as a factor, 245  
 ---: lymphographic diagnosis, 719  
 ---: malignancy and immunosuppression, 242  
 ---, multiple, of arm, 750  
 ---, smooth-muscle autoantibodies and viral infections, 481  
 nephroblastoma as an illustration of the progression of cancer: epidemiological study, 242  
 nephroplasty, Hamilton Stewart, 1022  
 nephrotic syndrome, glomerulonephritis and lipodystrophy, 591  
 ---, seasonal, associated with grass pollen allergy (*by title*), 593  
 nephro-ureterectomy, 1021  
 nerve regeneration: motor nerve growth induced by botulinum toxin, 196  
 nerve stimulation: effect on intact heart, 548  
 nerve tissue: ageing in (*by title*), 677  
 nervous system: calcium and, 873  
 ---: immunology in, 531  
 ---: metabolic disorders and, 871  
 ---: toxicology and, 195  
 nervous system diseases: breathing and, 943  
 ---: diagnosis by gamma camera (*by title*), 705  
 ---: effect of 'maximum immune suppression' with thoracic duct drainage, ALG, azathioprine and cortisone, 531  
 neuromuscular diseases and cardiomyopathy: clinical aspects, 939; pathological aspects, 941  
 neuro-ophthalmology, 517  
 neuroses, chronic: clinical and social aspects, 507  
 neuroses, obsessive-compulsive, treated with behaviour therapy (*by title*), 1108  
 neurosurgery, microscopic: operational factors in, 16  
 ---: neurosurgical aspects of psychosurgery, 1099  
 ---: recent advances, 15  
 neutrons, fast: clinical experience with, 839  
 --- in radiotherapy, 835  
 ---: problems with neutron therapy, 843  
 ---: radiobiological aspects of fast neutron therapy, 835  
 Newcastle upon Tyne: osteomalacia in immigrants from the Indian subcontinent in Newcastle upon Tyne, 478  
 ---: radiological changes in bones of patients on regular haemodialysis in Newcastle upon Tyne, 477  
 nitrous oxide/oxygen (entonox), 7  
 ---: two hundred years of nitrous oxide (*by title*), 764  
 noise and the environment, 360  
 Northwick Park Hospital: function of new clinical research centre (*by title*), 764  
 ---: occupational health service needs, 448  
 nose and throat: carcinogens in, 682; external influences on, 679; iatrogenic disorders of, 679  
 nose neoplasms: cancer of nasal cavity and paranasal sinuses (*by title*), 416  
 nurses: training and selection in hospital occupational health services, 455  
 nutrition: studies on animals, 351  
 nystatin in benign prostatic hypertrophy, 130
- obstetrics: lumbar epidural analgesia by 'do-it-yourself' obstetricians, 757  
 occupational health services in hospitals, 447  
 ---: at Bedford General Hospital - assessment of findings from research project, 450, 451  
 ---: current investigations, 452  
 ---: general discussion, 463  
 ---: opinions on the need for and value of, 458; views of a chief nursing officer, 461, of a hospital administrator, 458; of a senior physician, 462  
 ---: selection and training of medical and nursing staff, 453; roles and relationships, 456  
 occupational medicine: future development (*by title*), 1092  
 ---: selection for training of postgraduate physicians in, 1003

- oedema, gravitational, 614  
**oesophageal neoplasms**: incidence in five continents, 50  
**oesophageal reflux** and hiatus hernia, 30  
 -----: investigation, 30, 33  
**oesophageal stenosis**: management of strictures due to reflux oesophagitis, 37  
**estrogens**, plasma: concentrations in thyrotoxic menstrual disturbance, 789  
**onchocerciasis**: kerato-uvéal changes in - a question of immunity, 955  
**oncology**: role of radiotherapists in, 706  
**ophthalmology**, tropical, 953  
**optic atrophy** with papilloedema - the Foster Kennedy sign, 520  
**optic chiasm**: anterior angle lesions - field loss, 519  
 ---: compressive lesions - variation in visual symptoms in (*by title*), 523  
**optic nerve**: compressive lesions - variation in visual symptoms in (*by title*), 523  
**oral-facial-digital syndrome** (*by title*), 604  
**oral health**: 'sans teeth': changes in oral tissues with advancing age, 801  
**orbit**: blow-out fracture of (*by title*), 416  
**organophosphorus compounds**: organophosphate fumigant - newer knowledge of (*by title*), 1092  
**organophosphorus** delayed toxicity: mechanism, 195  
**orthodontics**: choice of surgical techniques for (*by title*), 496  
 - in diagnosis and management of speech defects in children, 409  
**orthopaedics**: heraldry in, 380  
**osteitis deformans**: with multiple myeloma, 725  
**osteoblasts**: effect of corticosteroids on (*by title*), 739  
**osteoclasts**: effect of corticosteroids on (*by title*), 739  
**osteomalacia** in immigrants from the Indian subcontinent in Newcastle upon Tyne, 478  
**osteopetrosis**, 729  
**osteoporosis** following thyrotoxicosis (*by title*), 492  
**otitis externa**, malignant (*by title*), 862  
**otosclerosis**: round window occlusion in (*by title*), 862  
**ovarian neoplasms**: luteoma of pregnancy, 94  
 ---, virilizing, and polycystic ovary syndrome, 785  
**Oxford Record Linkage Study** as a medical information system, 237  
**oxygen** therapy: assessment of devices, 890  
**oxytocin**: biosynthesis and intraneuronal transport (*by title*), 986  
 -: electrophysiology - recent developments (*by title*), 986  
 - in human parturition, 491  
**paediatrics**: presidential address - 'does it matter? a call for a sense of balance' (*by title*), 342  
**pain**, anorectal, obscure (*by title*), 294  
 -, chronic (*by title*), 536  
**palate**: speech with palatal dysfunction, 413  
**paleodontology**: evolution of mammalian dental structures, 389  
**pancreas**, 845  
**pancreatic diseases**: laboratory diagnosis - difficulties in, 845  
**pancreatitis**, acute, 846  
 -, chronic, and alcohol, 847  
**panniculitis** and vasculitis (*by title*), 692  
**papilloedema** with optic atrophy - the Foster Kennedy sign, 520  
**papilloma**: eruptive basal cell papillomata with carcinoma of caecum, 595  
 -: papillomatosis of larynx, 619  
 -, villous, of appendix (*by title*), 982  
**Papio papio**: photosensitive epilepsy of, 180  
**para-endocrine syndromes**: clinical aspects, 59;  
 pathological aspects, 55  
**paraganglioma**, nonchromaffin, malignant (*by title*), 731  
**paralysis**, electrical control of, 233  
 -, external rotation, of shoulder, 375  
**paranasal sinuses**: role of radical surgery for polyposis (*by title*), 624  
**paraplegia**: pelvic muscle electromyography in (*by title*), 71  
**parapsoriasis en plaques**: natural history (*by title*), 770  
**parathyroid cyst**: occult hyperparathyroidism presenting as, 881  
**parathyroid neoplasms**: localization (*by title*), 850  
 ---: treatment by stilbestrol diphosphate (*by title*), 986  
**parenteral feeding**: parenteral hyperalimentation in surgical problems (*by title*), 973  
**parents**: parent-patient-doctor relationships in a surgical children's ward, 336  
**parkinsonism**: akinesia following stereotactic surgery for: treatment with L-dopa (*by title*), 200  
 -: control of blood pressure in, 944  
**partograms** and action line of cervical dilatation, 700  
 -: use in labour, 700  
**pathology**: appraisal of aircrew safety equipment, 649  
 -, cellular: application of X-ray microanalysis in, 826  
 -, experimental: place and importance of animals in, 345  
 -: measuring and counting in (*by title*), 541  
 -: newer physical methods in, 826  
 - of ageing, 671  
 - of mental defect and disorder, 583  
 - of the lung, 823  
 -, urological (*by title*), 131  
**patients**, general practice: familiar faces, 505  
**pelvis**, pneumography of, 295; (*by title*), 297  
**pemphigoid** with hyperkeratosis of palms and soles and epilepsy, 603  
**pemphigus**, benign familial chronic, in a West Indian (*by title*), 596  
 - foliaceus, 'herpetiform', response to dapsone (*by title*), 528  
 -: Hailey-Hailey disease (*by title*), 692  
**penis**: sarcoidosis of glans (*by title*), 131  
**periarteritis nodosa**, cutaneous, with Crohn's disease (*by title*), 692  
**pericardial effusion** and giant-cell arteritis, 565  
**peripheral nerve diseases**: multiple neuropathies occurring in coma (*by title*), 566  
**pesticides**: problems with (*by title*), 1092  
**Peutz-Jeghers syndrome**: malignant changes in (*by title*), 294  
**phaeochromocytoma**, 792  
 -: clinical aspects, 792  
 --- chemistry, diagnostic (*by title*), 793  
 --- pharmacology (*by title*), 793  
 -, familial, and medullary carcinoma: ectopic ACTH production (*by title*), 788  
 - in pregnancy, 863  
 -: radiology of (*by title*), 793  
**pharmacology** of recent beta-adrenoceptor stimulants, 759

- pharyngeal neoplasms:** epidermoid carcinoma (*by title*), 416
- pharynx:** carcinogens in, 682; external influences on, 679; iatrogenic disorders of, 679
- photosensitization:** actinic reticuloid (*by title*), 770
- and 'delayed dermographism' (*by title*), 770
- physicians:** selection for training in health care of hospital staff in hospital occupational health services, 453
- physiology:** experimental animals in, 346
- pigmentation** with bruising of skin and epilepsy (*by title*), 528
- pilonidal sinus:** outpatient treatment (*by title*), 973
- piperazines:** ICRF 159: effect on immune responses, 264
- pituitary diseases,** aspects of (*by title*), 297
- pituitary gland** apoplexy and acromegaly, 984
- and thyrotoxicosis (*by title*), 986
- : assessment of pituitary-gonadal function (*by title*), 490
- : cultures: gonadotrophin secretion in (*by title*), 986
- pituitary neoplasms:** ocular symptomatology, 517
- : treatment by implantation of yttrium 90 during or before pregnancy, 486
- placenta:** chorioangioma of, 97
- plankton:** the sea and man, 362
- platinum,** complex salts of: inhalation tests with, 272
- pneumatosis cystoides intestinalis,** 780
- polar exploration:** medical aspects, 39
- poliomyelitis,** anterior, 614
- : bowel management in - patient's viewpoint, 65
- politics:** political biography, 311
- polycythemia** complicating macrocytic anaemia, 562
- polyps,** colonic: use of long colonoscope in polypectomy, 967
- , rectal: incidence and significance on sigmoidoscopy in nonmalignant disease (*by title*), 973
- : regression phenomenon in familial polyposis, 169
- porphyria** acquired from oral contraceptive (*by title*), 528
- cutanea tarda, 688
- , hepatic, acquired: ? 'pill'-induced (*by title*), 527
- (?) with discoid lupus erythematosus and fatty infiltration of liver (alcoholic), 690
- postgastrectomy syndromes:** phytobezoar developing after Billroth I gastrectomy, 754
- : stagnant loop causing anaemia (*by title*), 566
- postoperative complications:** hypoxaemia, mechanisms of, 12
- : lung dysfunction, 10
- : of cross-flap operations, 626
- poultry:** sleep in the domestic fowl, 177
- pregnancy and labour:** pulmonary embolism in (*by title*), 866
- : anorectal disorders in, 286
- : drug addiction in, 867; an obstetrician's experience, 867; a psychiatrist's impression, 869
- following cadaver renal transplant (*by title*), 866
- : ileostomy in, 281
- in the very young, 99
- in unicornuate uterus (*by title*), 866
- , luteoma of, 94
- , normal: urinary lactate dehydrogenase in (*by title*), 866
- with schistosomiasis - previous stillbirth (*by title*), 866
- pregnancy:** pheochromocytoma in, 863
- : pulmonary hypertension in, 100
- : smoking in - dangers (*by title*), 870
- : ulcerative colitis in, 279
- pregnancy toxemias:** urinary lactate dehydrogenase in pre-eclampsia (*by title*), 866
- pregnancy,** tubal, ruptured bilateral, 93
- Price, William,** 1
- Priestley, Joseph** (*by title*), 1126
- problem solving** in primary medical practice, 934
- proctitis,** irradiation (*by title*), 670
- proctology:** anorectal conditions in obstetric practice, 279
- disorders in pregnancy, 286
- : intersection with urology (*by title*), 973
- progestational hormones:** progestogen for benign prostatic hypertrophy (*by title*), 131
- prostatectomy:** prostatic fossa stones after (*by title*), 304
- prostatic hypertrophy,** benign: drugs for, 125; gestronal hexanoate (SH582), 128; clinical trial, 130; nystatin, 130; progestogen (*by title*), 131; steroids, 127; trial designs, 126
- prosthesis** for total replacement of knee: metal/polyethylene two-part prosthesis, 374
- of shoulder joint, 373
- protective devices:** aircrew safety equipment - a pathologist's appraisal, 649
- protein-losing enteropathies:** with long-arm deletion of chromosome 22, 1081
- proteins,** iron-binding, in milk and resistance to *E. coli* infection in infants, 1086
- pseudohypoparathyroidism** with urinary cyclic AMP measurement after parathormone infusion (*by title*), 788
- psychiatry:** consultation in fatal illness, 1035
- : diagnosis - cross-national research findings, 497
- of terminal illness in adults, 1035
- in children, 1035, 1039
- : psychiatric aspects of psychosurgery, 1104
- psychology, industrial:** attitudes to authority: management/staff relationships which jeopardize health (*by title*), 1092
- psychopathy:** development of the concept of psychopathy (*by title*), 48
- psychopharmacology:** new horizons in, 813
- psychophysiology:** measurements in hearing, 807
- psychosexual development:** sexual precocity - management (*by title*), 986
- psychosurgery** today, 1099; neurosurgical aspects, 1099; psychiatric aspects, 1104
- psychotropic drugs:** new horizons in psychopharmacology, 813
- Pugh, William Thomas Gordon,** and his traction, 382
- pulmonary circulation** in cor pulmonale: pathophysiology, 824
- pulmonary embolism** in pregnancy and labour (*by title*), 866
- : ultrasonic diagnosis, 890
- pulmonary fibrosis,** interstitial, with urticaria and hidden monoclonal-IgM-protein disease (*by title*), 766
- pulmonary heart disease:** pathophysiology of the pulmonary circulation in, 824
- pyoderma gangrenosa** following total hysterectomy (*by title*), 866
- Q fever** endocarditis with homograft valve replacements, 980
- quinidine:** as cause of thrombocytopenia, 590

**radiation:** cathode ray tube display systems – medical aspects (*by title*), 1092  
**radiation injury:** proctitis (*by title*), 670  
**radiobiology:** aspects of fast neutron therapy, 835  
**radioimmunoassay** and gastrointestinal cancer, 968  
 – for carcinoembryonic antigen, 635  
 – of hormones (*by title*), 794  
**radioisotopes** and basic neurological research (*by title*), 200  
 –: gallium-67: uptake in colonic and rectal tumours, 969  
 – in measurement of regional cerebral blood flow (*by title*), 200  
**radiology:** diagnosis of adrenal lesions, 295  
 –, diagnostic, in childhood: therapeutic aspects, 731; intussusception, 731; abnormal meconium and 'milk inspissation', 733  
 – in intestinal diseases: colon, 965  
 – – – – double-contrast enema, 964  
**radiometry, infra-red:** applications in rheumatology, 890  
**radiotherapy** department or oncology centre?, 706  
 –: fast neutrons in, 835  
 – of Hodgkin's disease, 1109  
**Raynaud's disease:** brachial arteriography in, 170  
**rectal diseases:** actinomycosis, presumed (*by title*), 973  
 – –: amyloidosis, primary, 74  
 – – anorectal conditions in obstetric practice, 279  
 – – disorders in pregnancy, 286  
 – – investigation, 963  
**rectal neoplasms:** abdomino-transsacral resection and anastomosis for midrectal cancer (*by title*), 976  
 – –: adenocarcinoma treated by transanal local excision (*by title*), 973  
 – –: influence of tumour grading on choice of operation, 970  
 – –: lymphoma, primary malignant, 72  
 – –: results of 'pull-through' operations for, 976  
**rectal prolapse, complete:** long-term results of Ivalon wrap operation, 777  
**rectovaginal fistula** (*by title*), 973  
 – following difficult labour, 283  
**rectum:** anastomosis, low: techniques, 974; transanal technique, 975; trans-sphincteric exposure for, 974  
 –: anorectal pain, obscure (*by title*), 294  
 –: injury with rupture of spleen (*by title*), 973  
 –: lactic dehydrogenase estimations in biopsy (*by title*), 294  
 –: restorative resection (*by title*), 973  
 –: solitary ulcer of (*by title*), 973  
**rehabilitation** after myocardial infarction, 327  
 – of young patients with neurological disease (*by title*), 200  
 – of younger patients with cerebrovascular diseases, 88  
**renin:** recent developments (*by title*), 492  
**research:** clinical centre at Northwick Park (*by title*), 764  
 –: experimental animals in, 343  
 –, surgical: current topics, 1116  
 –, veterinary, 344  
**respiration** and neurological disease, 943  
**respiratory system:** use of models: pathology 537; physiology, 537  
**respiratory tract diseases:** cardiovascular and respiratory disorders, 939  
**respiratory tract infections:** local antibody and immunity in (*by title*), 662

**retina:** ischaemic atrophy following retrobulbar abscess associated with orbital mycosis (*by title*), 524  
 –: observations on ocular basement membranes with special reference to (*by title*), 523  
**retroperitoneal fibrosis** following proctectomy for ulcerative colitis (*by title*), 446  
**Rh factors:** isoimmunization in one foetus in twin pregnancy – antenatal diagnosis, 863  
 – –: prevention of – recent advances, 745  
**rhabdomyosarcoma, recurrent, of anal canal in a 5-year-old** (*by title*), 670  
**rheumatism:** the forefoot in rheumatoid and allied conditions (*by title*), 740  
**rickets** following anticonvulsant therapy, 730  
**Roberts, Lloyd, Lecture**, 311  
**Rome, Treaty of:** effect on medicine, 927  
**Royal Society of Medicine:** armorial bearings, 380  
**Rud's syndrome** (*by title*), 527

**salivary gland neoplasms:** experience with 250 cases (*by title*), 850  
**sarcoidosis** of glans penis (*by title*), 131  
**sarcoma, Kaposi's** (*by title*), 596  
 – –, haemorrhagic (*by title*), 528  
**schistosomiasis** in pregnancy (*by title*), 866  
**schizophrenia:** diagnosis, 497  
**scleredema adultorum**, 528  
**scleroderma:** telangiectasia treated by cryoprobe (*by title*), 527  
**sclerosis, lupoid**, 536  
 – – and associated conditions: immune disturbances in (*by title*), 536  
**Scott, Robert Falcon:** logistics of polar journeys, 42  
 – – –: sixtieth anniversary of last expedition, 39  
**scurvy:** state of knowledge about scurvy in 1911, 39  
 –: Wright's acid intoxication theory, 47  
**sella turcica:** empty sella syndrome (*by title*), 986  
**semen:** oligospermia – testicular biopsies in (*by title*), 1026  
**sewage:** the sea and man, 362  
**Shackleton, E H:** logistics of polar journeys, 42  
**sheep, abortion in:** toxoplasma as a cause (*by title*), 1002  
**sheep diseases:** chronic mycobacterial enteritis as a model of Crohn's disease, 998  
**Sherrington Memorial Lecture**, 947  
**shock, surgical:** current studies, 1116  
**shoes:** orthopaedic footwear problems, new approach, 739  
**shoulder:** external rotation palsy of, 375  
 –: injuries around the shoulder, 1030  
**shoulder joint:** dislocation, posterior, 1030  
 – –: fracture-dislocation: manipulative reduction, 1033  
 – – –, severe: treatment, 1032  
 – –: rupture of rotator cuff – early diagnosis, 1030  
 – –: total replacement, 373  
**sick role:** familiar faces – problems of identification, 505; the constant attendant, 507  
**sickness absence, certificated:** recent trends, 567  
 – –: international comparisons, 577  
 – – in the Civil Service, 572  
**sinuses, paranasal:** role of radical surgery for polyposis (*by title*), 624  
**Sjögren's syndrome:** chronic lymphatic leukaemia presenting as, 877  
 – – with widespread lymphoid deposits, 167

- skin diseases:** acrogeria (?) or lipodystrophy (?) (by title), 604  
 ---, Werner's syndrome (?), 525  
 ---: follicular mucinosis (by title), 596  
 ---: idiopathic macular atrophy (by title), 770  
 ---: subcorneal pustular dermatosis (by title), 528  
**skin neoplasms:** epithelioma cuniculatum (by title), 596  
 ---: lymphocytoma cutis (by title), 692  
**skin tests** for detection of neoplasia, 638  
 --- for immediate, type I, allergic reactions, 271  
**skin ulcer**, widespread (by title), 596  
**sleep** in animals, 173, 176; in fishes, 177; in man, 173; in the domestic fowl, 177  
 --- patterns in the aerospace environment, 192  
**smoking** in pregnancy, dangers (by title), 870  
**snake bites:** surgical management of snake venom poisoning (by title), 446  
**social planning**, 355  
**sodium:** relative importance of sodium ion in homeostatic mechanisms in ruminant animals, 631  
**somatotrophin:** secretion *in vitro* (by title), 986  
**sound** localization in complete unilateral deafness (by title), 862  
**Southampton medical school** and its curriculum (by title), 612  
**space flight:** medical aspects, 187  
**spectrophotometry**, nonflame atomic absorption, for analysis of hairs and fibres (by title), 827  
**spectrum analysis:** gas chromatography-mass spectrometry in biology and medicine, 826  
**speech disorders** in childhood, 404; diagnosis, treatment and management, 404; orthodontic aspects, 409  
 ---: palatal dysfunction, 413  
**speech therapy** and treatment of cerebrovascular diseases, 85  
 --- for children with palatal dysfunction, 413  
**spina bifida:** bowel management in, 70  
 ---: cystica: radiology of renal tract (by title), 476  
 ---: muscle charting neonates and preschool children with myelomeningocele (film) (by title), 382  
 ---: prognosis (by title), 1084  
 ---: study of foot pressure with growth in spina bifida children (by title), 382  
**spinal cord compression** due to rheumatoid atlanto-axial subluxation: excision of odontoid process (by title), 380  
**splenectomy** in diagnosis and management of Hodgkin's disease, 1111  
**splenic rupture** with rectal injury (by title), 973  
**spondylitis** and colitis: interrelationships (by title), 614  
**sport medicine:** over-use of injuries in sportsmen (by title), 1092  
**stapes surgery:** late complications of stapedectomy with special reference to perilymph fistula (by title), 250  
**statistics** from the Abortion Act (by title), 432  
 ---: using a general reporting system (by title), 432  
**Stein-Leventhal syndrome** and virilizing ovarian tumours, 785  
**sterility, male:** genetic determination, 300  
**steroids** and the prostate, 127  
**stilboestrol diphosphate** in treatment of parathyroid carcinoma (by title), 986  
**stomach neoplasms:** incidence in five continents, 52  
**streptozotocin** in treatment of carcinoid syndrome, 164  
**stress:** relationship with work performance, 321  
**stroke**, acute completed major: management, 82  
 ---: principles of management, 85  
**stuttering** (by title), 1108  
 ---: psychological change - relation to increased fluency in stutterers (by title), 1108  
**subarachnoid haemorrhage:** cerebral arterial reactivity and spasm after, 80  
**submarine environment:** microbiology of, 799  
 ---, nuclear, 795; problems, 795  
**subphrenic abscess** in Crohn's disease, 565  
**succinylcholine:** effect on isolated mammalian heart, 149  
**sulphamethoxazole** with trimethoprim: toxicity (by title), 982  
**supersonic travel:** medical aspects, 187  
**suppuration** of skin, chronic, associated with serum factor affecting bactericidal capacity of polymorphonuclear leukocytes, 691  
**surgery:** experimental animals in research, 353  
 ---, lymphatic, 715  
 ---: techniques for very low anastomosis, 974  
**surgery, operative:** nephroplasty, Hamilton Stewart, 1022  
 ---: nephroureterectomy, 1021  
**surgery, oral:** intravenous anaesthesia in (by title), 399  
**surgical wound dehiscence** following anterior resection: abdominosacral approach (by title), 973  
**survival** after loss of all but ten inches of small intestine and proximal half of large intestine (by title), 670  
**sweat glands:** hidradenitis suppurativa with familial acne conglobata, pili torti and cataracts (by title), 596  
**sweat gland neoplasms:** syringoma (by title), 528  
**swine:** hormone studies in (by title), 986  
**swine diseases:** erysipelothe arthritis as a comparative model for rheumatoid arthritis, 994  
 ---: experimental bacterial endocarditis, 990  
**sympatholytics:** cardioselective beta-adrenergic blockade, 761  
**sympathomimetics:** pharmacology of recent beta-adrenoceptor stimulants, 759  
 ---: selective beta-adrenergic receptor active drugs, 759  
**tabes dorsalis:** taboparesis with Lown-Ganong-Levine syndrome, 563  
**tantalum mesh:** use in repair of large defect of abdominal musculature (by title), 973  
**temporomandibular joint:** evolution of, 389  
 ---: surgery of, 383  
**terminal care:** psychiatry of terminal illness in adults, 1035; in children, 1035, 1039  
**tetanus**, cephalic, 875  
**thermography:** applications in rheumatology, 890  
 ---: in diagnosis of vascular disease of lower limb, 170  
**thirst** and the limbic system, 1067  
**thoracic diseases:** diagnosis by gamma camera (by title), 705  
**thoracic duct drainage** with maximum immune suppression, ALG azathioprine and cortisone in neurological disorders, 531  
**thromboembolism:** thromboembolic phenomena from arteriosclerotic aneurysm of right brachial artery, 563  
**thrombophlebitis:** deep vein thrombosis: current concepts concerning incidence and prevention (by title), 850  
 ---: diagnosis, and fractures of femoral neck, 380

- thrombophlebitis, ilio-femoral:** management, 171  
 -, peripheral and visceral, with primary cryofibrinogenemia (*by title*), 446  
**thymoma** associated with resistant *Epidermophyton floccosum* and candida infection (*by title*), 596  
 - with mucocutaneous candidiasis (*by title*), 766  
**thyroglobulin** biosynthesis, abnormalities of, 491  
**thyroid diseases:** use of computers in follow up (*by title*), 492  
**thyroid gland:** assessment of function in ophthalmic Graves' disease (*by title*), 792  
 --, ectopic, 983  
 --: function in acromegaly (*by title*), 492  
**thyroidectomy**, a hazard of, 169  
**tibial fractures**, compound: orthopaedic management (*by title*), 629  
 ---: soft-tissue defect, 625  
**tissue preservation**, renal, 305  
 ---, cadaveric: present status, 170  
**tooth:** restoration of teeth after facial injuries in road accidents, 920  
 -- surface, human: clinical significance of micro-organisms and organic films on, 908  
 ---: morphology of calculus formation on, 903  
**tooth extraction instruments:** evolution of (*by title*), 912  
**toothbrushing:** effect on gingival keratinization, 1127  
**toxicity, organophosphorus delayed:** mechanism, 195  
**toxicology and the nervous system**, 195  
 -: experimental animals in, 348  
 -: relevance of drug-induced blindness in experimental animals, 197  
**toxoplasma** as a cause of abortion in sheep (*by title*), 1002  
 - infection in man: seroepidemiology, 1002  
**toxoplasmosis**, 1001  
 -: cats as a source, 1001  
**toxoplasmosis, ocular**, with immunosuppressive therapy (*by title*), 524  
**trachea:** injuries of (*by title*), 416  
**tracheostomy:** management and alternatives, 401  
**trachoma**, 960  
**traction** by suspension as used by W T G Pugh, 382  
**transplantation, cadaveric:** tissue typing for, 305  
 -: corneal graft problems in developing countries (*by title*), 962  
 -: future logistics in Great Britain (*by title*), 1026  
 -: muscle grafts, 1066  
 -, renal, 305  
 --, cadaveric: infection after, 471  
 ---: pregnancy following (*by title*), 866  
 ---: logistics (*by title*), 476  
 ---: rejection detected with <sup>125</sup>I-fibrinogen, 476  
 ---: unusual complications (*by title*), 726  
 ---: urinary fistulae following, 473  
**transplantation, homologous:** bony meatus homografts (*by title*), 372  
**transplantation immunology:** allograft tolerance - role of immunological enhancement (*by title*), 484  
 ---: follow up of renal allograft recipients, 1051  
**transport of wounded and sick** (*by title*), 652  
**travel, aerospace:** medical aspects, 187  
 -: pedestrian conveyors, high speed, 614  
**trimethoprim-sulphamethoxazole:** toxicity (*by title*), 982  
**tropical medicine:** ophthalmology, 953  
**Turner's syndrome** with iron deficiency anaemia, 731  
**twins, locked** (*by title*), 866  
 -: rhesus isoimmunization affecting only one foetus - antenatal diagnosis, 863  
**tympapanasty** (*by title*), 862, 862  
 -: homograft tympanic membrane and ossicles in (*by title*), 862  
**tyramine** and migraine (*by title*), 200  
**ulcer:** rectal and colonic ulceration in Behçet's disease, 163  
 -, solitary of rectum (*by title*), 973  
**ultrasounds:** lung scans, 890  
 -: measurement of physiological movement and psychomotor activity, 891  
**unconsciousness:** early management, 613  
**uræmia:** incidence (*by title*), 476  
**ureteral neoplasms:** carcinoma in congenital megaureter (*by title*), 131  
**ureteral obstruction** in renal papillary necrosis, 1023  
**urethra**, anterior: diverticulum of, 304  
**urinary calculi:** prostatic fossa stones after prostatectomy (*by title*), 304  
**urinary fistula** following renal transplantation, 473  
**urinary incontinence**, male: crucifixion operation for, 303  
 --, urethral, in women, 829; assessment of urinary sphincter mechanism (*by title*), 834; detrusor function, 829; effect of electrical stimulation, 832; new techniques in diagnosis - new hypothesis of continence, 831; place of internal urethrotomy in treatment, 833  
**urinary tract infections**, 513; bacteriology, 514; in children, 513; problems in treatment (*by title*), 476  
**urination:** measurement of parameters - clinical use, 132  
**urology:** experience and experiment (*by title*), 131  
 -: intersection with proctology (*by title*), 973  
 -: pathology (*by title*), 131  
 -: problems of renal transplantation (*by title*), 308  
**urticaria**, chronic, with hidden monoclon-IgM-protein disease and interstitial pulmonary fibrosis (*by title*), 766  
**urticaria pigmentosa** (*by title*), 596  
**uterine diseases:** immunology of intrauterine infection (*by title*), 484  
**uterine haemorrhage**, dysfunctional: retrospective survey, 866  
**uterine neoplasms:** 'glioma' - foetal homograft, 98  
**uterine prolapse**, nulliparous (*by title*), 866  
 -- with squamous carcinoma of cervix treated by Shauta hysterectomy (*by title*), 866  
**uterus**, unicornuate: pregnancy in (*by title*), 866  
  
**vaccines:** manufacture, control and research - experimental animals in, 349  
**vaginal neoplasms:** carcinoma, primary - review of 21 cases, 95  
 -: 'warts' - malignant change in vaginal adenosis (*by title*), 866  
**vagotomy** and drainage procedure: effects on oral alcohol tolerance (*by title*), 446  
 - and pyloroplasty complicated by actinomycosis (*by title*), 446  
**vascular diseases** of lower limb: thermography in diagnosis, 170  
 -: vasculitis (*by title*), 766  
 --- and panniculitis (*by title*), 692  
 ---, cutaneous: antigen-antibody complexes and prolonged fibrinolysis, 276  
 ---, immune complex cryoglobulinæmic (*by title*), 593  
 ---: immunological aspects (*by title*), 770  
 ---, single component cryoglobulinæmic, 765  
 --- with monoclonal gammopathy (*by title*), 766  
**vascular surgery:** coronary artery bypass (*by title*), 982  
**vasopressin:** biosynthesis and intraneuronal transport (*by title*), 986  
 -: electrophysiology - recent developments (*by title*), 986

**venereal diseases:** incidence of yeasts in

(*by title*), 770

**veterinary medicine:** presymptomatic diagnosis

in, 181, 184

---: research, 344

**virus diseases:** related mental disorders, 585

---, smooth-muscle autoantibodies and malignant disease, 481

**viruses:** factors in etiology of breast

cancer, 646

**vision,** binocular, and cortical function, 947

**visiting** of children in hospital, 341

**visual fields:** defects associated with anomalies of optic discs, 523

---: loss due to lesions at anterior angle of chiasm, 519

**vitamin D deficiency** and hyperparathyroidism, 1018

**vitiligo,** symmetrical, with Marfan's syndrome

(*by title*), 604

**voluntary health agencies:** in care of the chronic sick, 208

**von Willebrand's disease,** acquired, and systemic

lupus erythematosus, 561

**vulvar neoplasms:** carcinoma - variation of management, 93

**Waardenburg's syndrome** in a family, 601

**Wales, South:** hospital development, 1

**Walker, Sayer:** pioneer in theory and treatment of functional nervous disorders, 553

**Wander, Albert, Lecture,** 109, 934

**'warts',** unusual vaginal - malignant change in vaginal adenosis (*by title*), 866

**water pollution,** perspectives on, 364

---: the sea and man, 362

**Wegener's granulomatosis** treated with azathioprine, 592

**Werner's syndrome (?)**, acrogeria (?), 525

**Winsbury-White Lecture,** 1051

**work capacity:** asthma and, 324

---, fitness for, 321

---: migraine, epilepsy and

(*by title*), 328

--- performance: relationship with stress, 321

**wounds and injuries,** severe: evacuation in war;

management; transport (*by title*), 652

---: traumatic aortocaval fistula in man with

horse-shoe kidney (*by title*), 446

**Wright, Sir Almroth:** acid intoxication theory of scurvy, 47

<sup>133</sup> **xenon** in measurement of cerebral blood flow (*by title*), 200

**xeroderma pigmentosum,** 529

**yeasts:** incidence in sexually transmitted diseases (*by title*), 770

**yttrium isotopes:** implantation for pituitary tumour during or before pregnancy, 486
